*T*his is Tanya Lieders aka Sexi Barbie. She is a Canadian model living in Toronto. This is her first magazine appearance and she is super excited about it. Things you should know about Tanya is that she loves to travel and enjoy the company of her close friends as well as meeting new people. She is also a very intelligent and independent woman. She owns her own business, RockStar Nails. With one open now she is looking to franchise and open a few more in the near future. She's always thinking about the future and how she can grow her empire. Lets get to know her better...

So Tanya, tell us something about yourself that most people would never know from looking at you?

I think a lot of people pass negative judgment about me based off the way I look. My image is only one side of me. I say one side of me I show to the world is Barbie and the real me is Tanya. Anybody who knows me knows that I have a big heart when it comes to the people I care about most. I always try to help the people around me to think about business and the future. So many people are just focused on tomorrow and not thinking down the road. And I think that's important.

So lets hear about your personal life. Have you dated anybody famous?

I'm attracted to smart, successful, attractive men like I'm sure most women are. I have dated men that are most women's fantasies. I'm not going to say any names but I've dated your favorite rappers and ballers. Let's just say if I were to ever to write a book, it would be real juicy.

Sexi Barbie

**Can you talk about your sex life?
What are you into?**

I have a very exciting sex life I must say. I am a freak in every sense of the word. I will try almost anything once. I am definitely freakier than all of my girlfriends. Only select people know what it really is. I'll just leave the rest to your imagination.

Interesting, so I've watched your WSHH video and it was pretty sexy. What do you have to say about that?

Well I would always make Instagram videos with my girlfriends so when I was asked to do a WSHH video I thought it would be fun and it was. Staci Doll and me came up with the whole concept and tried to make it as entertaining as possible. I was really happy with the result. I think it was sexy, I even got turned on watching it.

So what else do you have planned coming up?

I'm really excited to say I'm working with MTV Canada on a TV show about the lifestyle of exotic dancers. I am a main person on the show and it is reality. It has a lot to do with the transition of being a dancer to having a career where dancing is left behind as well as the positives and the negatives of that life. We have shot a couple episodes and I have had the most fun doing that. It has been my favorite job so far. There's so much drama and different personalities. I can wait for that to come out. I'm just happy with keeping busy right now and I have so much more for people to see. So stay tuned.

My name is Jazmine Marin. I am a total sweetheart, who is passionate about modeling. I stay in Los Angeles and love every moment of living in such great city. Due to my exotic looks, everyone always asks what ethnicity I am. So with that being said, I am Hispanic and I love to show that every race is rare and sexy in different ways. When am not modeling, I am also a special affects makeup artist. Yes, I am a horror movie fan. I love the fact that I can bring my imagination to life by just using makeup. I developed a love for being in front of the camera at age three. So being a part of SHOW Magazine is an honor! That is why I would like to thank Sean Cummings so much for this opportunity. I know that God has plans for me, and I am more than ready for what he has in store for me.

Most of you already know me from the worldwide interview that was done on me by Barcroft Media about my job as a steel worker/model. That's right, I work at a steel factory where in my department we turn liquid metal into solid form. I am the first and only female in my job description and I work my butt off. When I do have off days (which its not many) I take bookings for photo shoots, club/event hostings, or video shoots. I am single with no children and I'm just having fun at the moment. I enjoy all types of music from afrobeats to opera. I love to dance, paint, and Travel. I'm very fun to be around, total goofball lol. I'm not one of those stuck up models. I love interacting with people, taking pictures, and giving hugs. Most of my fans get hugs from me when they see me out in public. I'm just
